

**Please read carefully!**

**Battery safety tips & instructions for M-Edge e-Luminator™**

KEEP THIS INSTRUCTION SHEET AS IT CONTAINS VERY IMPORTANT SAFETY INFORMATION.

- **WARNING!** This product is not a toy and is NOT FOR YOUNG CHILDREN. As with ANY battery operated/electrical product, ADULT SUPERVISION IS NEEDED, regarding battery/electrical safety and small parts.
- Do not look directly into the Light Emitting Diode (LED) and do not shine it into the eyes of others. As with other high intensity light sources, eye damage may occur.

**BATTERIES**

- Improper use of this or any battery-operated product may cause the battery to leak or explode, which may cause personal injury. Battery leaks can cause chemical burns.
- If leakage from battery comes into contact in ANY amount, directly or indirectly, with skin, eyes, inside of mouth or anywhere on the body:
  - Immediately flush the affected area with plenty of running water (not hot water).
  - Contact your local doctor or local poison control center or hospital Emergency Room, or call the National Battery Hotline at (202) 625-3333. Also give the hotline telephone number to your doctor or hospital emergency room. If injury appears serious, call "911".
- This product uses one (1) 1.5V AAA battery. (Battery is not included).

**INSERTING/REPLACING BATTERY:**

- Open battery cap by unscrewing the top in a counter-clockwise direction.
- **DO NOT ALLOW ANY METALLIC MATERIAL TO TOUCH THE E-LUMINATOR'S BATTERY COMPARTMENT CONTACTS OR THE BATTERY.** Such contact may cause battery to heat up and leak or explode, which may cause personal injury.
- The Three-Way ON/OFF switch is located on top of the lamp head.
- An alkaline battery is recommended.
- Do not attempt to recharge non-rechargeable batteries.
- Remove battery when light output becomes weak or nonexistent.
- Remove battery when the light is not in use.
- The Light Emitting Diode may last up to 100,000 hours and is not replaceable. **DO NOT ATTEMPT TO REMOVE OR REPLACE THE LIGHT EMITTING DIODE.** In the unlikely event your light fails, contact M-Edge Accessories, LLC.
